ADDENDUM NUMBER 5 ON INVITATION TO BID ITB17CS-132

TITLE: Fence at Beef Teaching Unit

This addendum shall be considered part of the Contract Documents for the above mentioned project as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original Contract documents, this addendum shall govern and take precedence. Bidders are hereby notified that they shall acknowledge receipt of the addendum.

Non-mandatory pre-bid was held April 24, 2017 at 10:00 AM at the site. Bid opening is scheduled for June 21, 2017 at 3:00PM in UF Procurement Services, 971 Elmore Drive, Gainesville, FL 32611.

Changes to overall fence project:

- Fence installer will build braces at each end of each bunk pad as opposed to core drilling through bunk pads as stated in original bid documents. Braces at the end of bunk pads will be constructed in the same way as corner braces/terminals in Attachment B.
- Fence installer will install 3 cables, springs and turnbuckles above each bunk. Springs/turnbuckles should be galvanized. Turnbuckles will be attached to braces via eyebolt of turnbuckle which may be welded to or drilled through vertical posts. The cables will terminate at the end of the bunk pad into the brace assemblies.
- Any fence sections less than 100' will only require a single (8') brace installation at each end.
- On corner braces/terminals, fence installer may elect to weld top 2 3/8” horizontal rail between 4 ½” vertical posts and cap vertical posts.
- Bunk pads may be poured concurrent with fence installation rather than being in place prior to the fence installation, as stated in the original bid document.
- As stated in Addendum 4, questions are now due June 14, 2017 at 4pm, and the new bid opening date is June 21, 2017 at 3:00 pm.

Cheri Spitzer
